

## Car Show Information

Thank you for participating in MATS this year. There are a few upgrades we hope you enjoy this year so we may all have a great time.

1. **Gate Information:** **This year we will stage the entry times.** Enter through the Hollywood Gate, this has the best asphalt for show vehicles. You must have your sticker attached to your vehicle, in the bottom left hand corner of the windshield and mirror hang tags must also be visible to enter the facility.
2. **Judged Car Show Check In:** Gate Entry 7:00 am, (This will be the same all 3 days.) check in with Car Show tent after parking. If you do not, no judging will be done for you. Judging begins at 10:30 am. Classes will be split or combined as needed, per entry numbers. You do not need to stay by your vehicle (unless you want to) for judging to occur. We will find you if we need you.
3. **Popular Choice & Modern Muscle Car Show Check In:** Gate Entry 8:00 am, (This will be the same all 3 days.) check in with Car Show tent after parking. If you do not, no judging will be done for you. Classes will be split or combined as needed, per entry numbers. You do not need to stay by your vehicle (unless you want to) for judging to occur. We will find you if we need you.
4. **Fun Field Entry:** Gate Entry 9:00 am, (This will be the same all 3 days.) Fun Field does not need to check in with the Car Show Tent.
5. Remember if you are racing, the waivers must be signed at the front gate.
6. Remember you can only enter in ONE category in the show.
7. **The highest priority is for everyone to have fun!**
